A FEW OF OUR FAVOURITE THINGS

WILLOW CLASSROOM

OUR CLASSROOM

We have pegs inside our classroom for our coats and PE bags and we keep our lunch boxes underneath.

We have lots of books to read and a comfy corner to read them in.

We have a maths trolley with equipment to help yourself to when you are learning.

You will have your own tray where you can keep your book bag.

In Year 2 we like to keep our room tidy!

WHAT IS STAYING THE SAME IN YEAR 2?

Fun Learning

You'll still read, write and explore exciting topics.

Our School

Same building, same playground, same happy place.

Your Friends

You'll still see your classmates and play together.

Helpful Grown-Up

You'll still have teachers and assistant teachers who care about you.

Cool Activities

Art, PE, Woodland Learning and special days will still be part of the fun.

School Routine

You'll still have breaktime, lunchtime and home time just like before.

OVER THE SUMMER...

- **Go to the seaside!** Feel the sand beneath your feet, build a sandcastle, dip your toes in the sea if you are brave enough!
- **Take a photo of you doing something that you enjoy at home:** playing with your favourite toys, a day out with your family or doing some baking maybe? Upload it to Tapestry if you can, so that you can tell me all about it in September.
- **Summer Reading Challenge** – Participate in the library reading challenge. How many books can you read this summer?
- **In My Bookbag-** Imagine you're packing a bookbag for the first day of school. What 5 items would you bring to show who you are? Example: a football, a book, a pet photo, a LEGO figure, a favourite snack.
- **My Summer Snapshot** - Draw or write about: the best day of your summer; who you spent it with; what made it special; how you felt. This helps teachers learn what makes you happy or excited!

In September, the grown ups in school will be here to welcome you in, show you where to go and what to do and to make sure you are happy and safe.

We are going to have a great year learning together!
