

Supporting brighter futures for our children

**Every child benefits.
Every family can help.**

**Parents Association
Loxwood School**

Hi we are PALS

Parents Association of Loxwood School

Your child is about to start an exciting new chapter at Loxwood School, and we'd love you to be part of it.

PALS is the team behind many of the fun events throughout the year, from discos and Christmas celebrations to summer fairs and family activities. But we're about much more than events, we raise money to give every child even more opportunities at school.

What are we raising for?

This year, our fundraising goals are:

-  A brand-new sandpit for our Reception children.
-  New classroom resources and supplies to help every child get off to a great start in September.
-  Creating an all-weather play space. Raising funds for safer surfacing and updated equipment to encourage active play throughout the year, whatever the weather.

Like many schools, funding is really tight and only goes so far. The money we raise helps provide the extras that make school even better for every child.

Every family can help

Whether you have time, skills or simply want to make a donation, every contribution makes a real difference.

Donate

A one-off or regular donation is one of the easiest ways to support our fundraising, especially if volunteering isn't possible.

Get involved

No fundraising experience needed!
You could:

- Help for an hour at an event
- Join the committee
- Organise or support a fundraiser
- Donate raffle prizes
- Share ideas or help behind the scenes
- Come along to events and cheer us on

Whether it's one hour a year, one great idea or one donation, you're helping create something special for our children.

Join our community

PALS is also a fantastic way to meet other parents and become part of the Loxwood community from day one.
