

How to write each digit

0	<u>C</u> url round the Zero (emphasise how we <u>curl</u> round the caterpillar for a C to get the correct direction)
1	Top to bottom makes one.
2	Over the rainbow, down the slide, and out of the park.
3	Backwards C and backwards C make 3.
4	Down the slide, out of the park and over the gate.
5	Down the policeman's body, round his big fat tummy, put on his cap.
6	Round the C bend and into the garage.
7	Along the corridor, down the stairs.
8	Big fat snake and up again.
9	Round the balloon and down the stick.
