

Dear Parents,

As you know, we have had an Ofsted Inspection over the last two days. We just wanted to say a huge 'thank you' for all your support and for all the responses to the Parent View; we really appreciate you taking the time to do this. As we do not have access to all of the Parent View that Ofsted uses, we will be sending our own version of Parent View over the next few weeks so that we can gather your views on our school. We welcome honest responses that will help us move forward in making this school a special and happy place to be. This will also include a Pupil View questionnaire, which we ask that you do with your child. It is enlightening for us to understand what it is like to be a child at Loxwood School,

Car Park:

After half term, we will be reviewing our drop off and collection procedures. In the meantime, we will be closing the car park gate during 8.35am and 8.50am and again at 3.00pm until 3.20pm. This is to stop cars from reversing or driving into the car park at those times to ensure our children and families safety.

UKS2 Tag Rugby at The Weald

On Wednesday 19th January, some Year 6 children represented the school in a locality Tag-Rugby tournament which was held at The Weald. After a few warm up games and an introduction to the rules from Mr Meaney, we played four games. We beat Billingshurst 45-0 with Daniel and Zac each scoring 3 tries, in the first game. During the second, we played Barns Green and lost 5-15. This was a tough game; a lot of our tries were disallowed. Convincingly, we won both our third and fourth games against St Mary's Pulborough and Rudgwick (30-0 and 50-0). Congratulations to Chloe and Lola who represented the school for the first time and both got stuck in tagging other players and Chloe even scored a try. Our main try scorer across the four games was Daniel with a total of 9 tries!

We were able to use our lessons on passing and formation with Mr Green to help us beat the other teams.

A huge thank you to the Year 10s from the Weald who had a tricky job of refereeing the games; to Mr Meaney for running the event; our parents who helped transport us there; and Miss Price for organising the team and keeping us motivated.

Forest School

On Monday, Year 6 had Forest School for the afternoon. Our focus for the afternoon was teamwork and communication. We had to re-create our DT Viking Catapults that we had designed in the Autumn Term. To be successful, we used a range of knots that we learnt on our residential, at Marchants Hill.
