

MOVING ON TO YEAR 4

Loxwood Primary School

I'm excited to be your teacher!

I am Miss Smith and our class will be called
Sycamore Class.

- One of Miss Smith's favourite books of all time is Billionaire Boy by David Walliams and she has even tried making some of the models like Joes Dad makes in the book.
- She loves teaching History especially the vikings. Did you know that Thursday was named after the Viking god of thunder Thor?
- In her spare time she really like to go out and explore nature. She loves walking along the beach and going swimming in the sea.
- Over the past few years, Miss Smith has been very lucky and have been learning how to fly a little plane called Norris. When she first started, it was very difficult but she is getting much better.

A FEW OF MY FAVOURITE THINGS

I am excited to be your assistant teacher.

I am Mrs Zilz.

- Mrs Zilz loves reading and some of her favourite books are the Harry Potter series. She has read all of them at least 4 times. The Goblet of Fire is the best.
- Her favourite lessons at school are Art and Woodland Learning.
- She enjoys swimming and walking her dog in the woods (in the local area) and just sitting looking at the beautiful sights and listening to all of the sounds of nature around her.
- Mrs Zilz is a green belt in Tae Kwon Do but hasn't practiced for a while.
- She has a very silly dog called Bryn (who is scared of everything) and a cat called Berty (whose favourite hobby is chasing the dog).
- She loves baking.

A FEW OF MY FAVOURITE THINGS

When your teacher gets some time out of class to do their planning, we will be teaching you.

We are Mrs Harder and Mrs Swann.

Mrs Harder
Every other Thursday am

Mrs Swann
Every other Thursday pm

- Mrs Swann is endlessly creative and enjoys leading many whole-school art projects.
- Mrs Swann is also our School Learning Mentor.
- Mrs Swann spends her spare time walking her lovely spaniel, as well as swimming with her girls.
- Mrs Harder manages Loxwood Pre-School and enjoys all the fun of the early years!
- Mrs Harder loves to be busy in the kitchen, baking delicious treats for the staff room!

A FEW OF OUR FAVOURITE THINGS

SYCAMORE CLASSROOM

OUR CLASSROOM

In Sycamore Class we have a lovely view of the field.

We have a large book case with lots of books and we display homework there.

We have lots of coloured tables and chairs.

The cloakroom and two toilets are next to the outside door.

We have benches outside to work on.

WHAT IS STAYING THE SAME IN YEAR 4?

Fun Learning

You'll still read, write and explore exciting topics.

Our School

Same building, same playground, same happy place.

Your Friends

You'll still see your classmates and play together.

Helpful Grown-Up

You'll still have teachers and assistant teachers who care about you.

Cool Activities

Art, PE, Woodland Learning and special days will still be part of the fun.

School Routine

You'll still have breaktime, lunchtime and home time just like before.

OVER THE SUMMER...

- **Summer Reading Challenge** – Participate in the library reading challenge. How many books can you read this summer?
- **Times Table Games** – Use apps, songs, or flashcards to keep math skills sharp.
- **In My Bookbag** - Imagine you're packing a bookbag for the first day of school. What 5 items would you bring to show who you are?
Example: a football, a book, a pet photo, a LEGO figure, a favourite snack.
- **My Summer Snapshot** - Draw or write about: the best day of your summer; who you spent it with; what made it special; how you felt. This helps teachers learn what makes you happy or excited! You can even take pictures of something that you enjoyed doing over the summer holidays and send it to the office so we can share it in September.

In September, the grown ups in school will be here to welcome you in, show you where to go and what to do and to make sure you are happy and safe.

We are going to have a great year learning together!
