

Tate's Tutoring

Would your child like some FREE Maths tutoring? Do they need help preparing for SATS or 11+ style entrance exam?

+

=

Hello, I'm Tate.

I left Loxwood School in 2022, and my sisters Baye and Quinn are currently in Y5 and Reception class. I am now in Y9 at The Royal Grammar School, Guildford, and I LOVE Maths!

Spaces are limited and, depending on how many are interested, sessions would be once a week for 30 mins or 1 hr, it's up to you. If you're interested or want more information, please message my Dad (Bryn Brooker) on 07740648318, speak to my Mum (Myfy Brooker) in the playground or enquire with Miss Price.

For the volunteering element of my Duke of Edinburgh award, I'm offering FREE Maths tutoring next term for children at Loxwood School. This could be either online or in person at our house in Alfold. It will be lots of fun, and as well as learning the fundamentals we can do maths games, quizzes and tricks.

Q: Did you hear what the Zero said to the Eight?

A: Nice Belt!
