

Isir, Manal + Rajah Audition

Isir:

What did that Sultan say?

Jasmine:

That if I don't pick a suitor, he will choose a husband for me.

Isir:

Uh-oh, I don't see that going well.

Jasmine:

All my life he surrounds me with knowledge of the world and then walls me up inside a palace! It's like being a prisoner.

Isir:

(Looks around) In a really nice prison!

Jasmine:

More than anything I want to see the world.

Isir:

Princess, the world outside might be overwhelming for someone like you.....but on the other Hand, I think a little excursion would do you some good.

Jasmine:

You do?

Isir:

Sure! A taste of what's beyond these walls could be just what a princess needs.
