

# Oak class 13<sup>th</sup> Oct -17<sup>th</sup> Oct

## Communication and Language

We are focusing on taking our turn to speak- when the adult talks, we listen and put our hand up if we want to say something. We are using our listening ears to listen to the adults and follow the rules in our classroom.

## PSED

Kind hands- this week we continue to talk about kind hands and what this means. We will use the colour monster story to think about what makes us happy.

## Physical development

At this point in Reception we are working hard to strengthen our gross motor and so are doing lots of physical learning outside, the bikes and trikes are a popular choice. The water and mud kitchen allow us to scoop and lift and carry.

## UW

This week, we are thinking about the weather and the seasonal change- spotting signs of Autumn. We will be using the story- The Leaf Thief to inspire some Autumnal activities. We are also going to be looking at who is in our families and noticing that all families are different.

## EAD

Role play is an important part of our learning at the moment as we make those social connections with each other. We will be making our own Autumn tree paintings and animals.

## Maths

This week we are counting and making sure that we count each object once and say the number at the end to tell us how many altogether.

## Literacy

We continue to play Fred games every day and are now learning a new sound four times a week. This week we are going to start writing the sounds. Those who are ready will begin to blend sounds to read words.

# “Who’s in my family?”
