A FEW OF OUR FAVOURITE THINGS

ROWAN CLASSROOM

OUR CLASSROOM

We have pegs inside our cloakroom for our coats, book bags and PE bags.

We have a bookshelf with lots of books to read and a comfy corner to read them in.

You will have your own tray where you can keep your reading book.

We have lots of resources for you to use around the classroom to help you.

In Year 3, we like to keep our room tidy!

WHAT IS STAYING THE SAME IN YEAR 3?

Fun Learning

You'll still read, write and explore exciting topics.

Our School

Same building, same playground, same happy place.

Your Friends

You'll still see your classmates and play together.

Helpful Grown-Up

You'll still have teachers and assistant teachers who care about you.

Cool Activities

Art, PE, Woodland Learning and special days will still be part of the fun.

School Routine

You'll still have breaktime, lunchtime and home time just like before.

OVER THE SUMMER...

- **Summer Reading Challenge** – Participate in the library reading challenge. How many books can you read this summer?
- **Times Table Games** – Use apps, songs, or flashcards to keep math skills sharp.
- **In My Bookbag** - Imagine you're packing a bookbag for the first day of school. What 5 items would you bring to show who you are?
Example: a football, a book, a pet photo, a LEGO figure, a favourite snack.
- **My Summer Snapshot** - Draw or write about: the best day of your summer; who you spent it with; what made it special; how you felt. This helps teachers learn what makes you happy or excited! You can even take pictures of something that you enjoyed doing over the summer holidays and send it to the office so we can share it in September.

In September, the grown ups in school will be here to welcome you in, show you where to go and what to do and to make sure you are happy and safe.

We are going to have a great year learning together!
