

# TRADITIONAL TALES-OAK CLASS-SPRING TERM

Week beginning 6<sup>th</sup> January

## Maths

We are going to investigate mass and find objects that are heavy and light. Using a balance scale we will then compare objects and see if we can make the scales balance.

We will continue to subitise numbers up to 5 using visual representations of the amounts.

We will use dice to subitise using the arrangements that we see on a conventional dice.

Towards the end of the week, we will be introduced to a number track and begin to use this to count different amounts to 6.

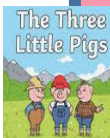

## Expressive Arts and Design

Our artist this term is Modrian and we will use our knowledge of squares and rectangles to describe his artwork.

Role play- as we explore traditional tales this term, we will be doing a lot of role play and orally retelling the stories that we work with. This builds the foundation of exploring story language to prepare the children for narrative writing when they are ready to write.

This week's traditional tale is 'The Three little Pigs.'

I wonder what the children will build their houses out of?

## Communication and Language

This half term, we will begin to think about how to ask questions using the word 'why' to start.

We will listen to the traditional tale and be introduced to story language and vocabulary to help us to sequence it in order and retell that story.

We will continue to practise sitting on the carpet and listening to the adult during our carpet sessions which will get slightly longer this half term.

## Personal, Social and Emotional development

We continue to have a feeling a day to discover what it means and how we can show that feeling or help others who are showing that feeling.

As we come back together after our Christmas holidays, we will remind ourselves of how important it is to be kind and share with others. The colour monsters will help us with this.

## Phonics

We are now reviewing the single letter sounds for some children and other children are now learning the two letter sounds (digraphs e.g. sh).

We are making simple cvc words using magnetic letters and boards, leading to starting to read simple cvc words by 'Fred talking' and then 'saying the sounds.'

You can watch the videos for the letter sounds on our school's virtual classroom on our website:

[https://www.loxwoodschoo.com/web/phonics\\_and\\_early\\_reading/635274](https://www.loxwoodschoo.com/web/phonics_and_early_reading/635274)

## Literacy

Drawing club- this term in Drawing Club, we will continue to encourage daily mark making with the children talking us through what they have drawn.

In addition to this, those children who are ready will now be encouraged to write CVC words on their pictures.

Our topic of Traditional Tales will expose us to story vocabulary which we will use to retell the traditional tales and create our own tales. This week our Traditional Tale is 'The Three Little Pigs'.

## Understanding of the world

We come back to school to wintry weather and the signs that we can see in nature that tell us it is winter. We will be using white paint to create snowy pictures.

We will be investigating ice this week- what does it look and feel like and how can we make it melt?

## Physical Development

Our PE day is on WEDNESDAY with Mr Green- Your children are working hard to change into their PE kits. Please encourage your child to change their clothes independently at home for practise.

We are encouraging those children who are ready, to hold a pencil and form the letter sounds that we have been learning.

Funky fingers- those children who are not reading to hold a pencil are taking part in funky fingers activities which are activities designed to strengthen the fine motor control
