Kind hands- this week we are talking about kind hands and what this means.

We will use the colour monster story to think about what makes us happy.

## Physical development

At this point in Reception we are working hard to strengthen our gross motor and so are doing lots of physical learning outside, the bikes and trikes are a popular choice. The water and mud kitchen allow us to scoop and lift and carry.

## EAD

Role play is an important part of our learning at the moment as we make those social connections with each other.

We will be making our own colour monsters

look for groups of these within other amounts and pictures.
